Why PROLINK:

We treat you like a person, not a number. That means sound, genuine advice and follow-through, no matter how complex your needs.

- ✓ For decades, we've given our customers the edge to truly shop around, thanks to our long-standing relationships with Canada's top 20 insurers, and the buying power of a \$160M brokerage. That means more choice. Lower costs. Win-win.
- ✓ We get the ins and outs of marketing research professionals. We do it with sector-savvy, dedicated advisors that can zoom in on your needs to help you make insurance decisions that are relevant and simple. Ta-da.
- ✓ Wherever you're coming from or whatever you need, we've been there and done that. We've seen insurance from every perspective and solved even the thorniest coverage and claims issues, from home to auto to commercial to life. You can depend on us. Because to pick the right insurance, you need to pick the right brain.
